

# Continuing Professional Development Certificate

## Innovation and insurance: Charting the next 300 years

**Date:** Tuesday 9 January 2018

**Time:** 1.15pm - 2.00pm

**Speaker:**

Dr Paul Mang

Global CEO of Analytics, Aon Benfield

In this IIL lecture Dr Paul Mang talked about the unprecedented levels of volatility that our shared clients were navigating, and the critical role innovation must play in maintaining our relevance and growing our industry. Paul suggested that benefits may be achieved by partnering with innovators.

In his presentation, Paul focused on protection gaps, partnerships, trade-offs and how ultimately the answer may be through collaborative innovation.

**By the end of this lecture, members would have gained an insight into:**

- Insurance Industry challenges
- Protection Gaps
- Innovation in insurance

This lecture or podcast can be included as part of your CPD requirement should you consider it relevant to your professional development needs. It is recommended that you keep any evidence of the CPD activity you have completed and upload copies to the recording tool as the CII may ask to see this if your record is selected for review.
