April 2017 renewals commentary and a review of the financial performance of the reinsurance market

Date: Thursday 20 April 2017

Time: 1.15pm - 2.00pm

Speaker:

James Vickers, Chairman, Willis Re International

In this IIL lecture James Vickers talked about the financial performance of the global reinsurance market in 2016. James initially referred to Market conditions at 01 April 2017 and the still modest price softening, before he considered the financial performance of the reinsurance market. James undertook this by reference to the findings of the Willis Re Reinsurance Market report, which looks at the industry results at Year-End 2016. James outlined the changes in traditional and non-traditional capital coming into the industry, and the pressures being faced.

By the end of this lecture, members would have gained an insight into:

- The size and performance of the global reinsurance market in 2016
- Levels of traditional and non-traditional capital in the industry
- The state of the current market pricing cycle
- An insight into the underlying trends driving the market pricing & Market pressures
