

# Continuing Professional Development Certificate

## Macroeconomic trends and the Professional Indemnity market

**Date:** Wednesday, 29 November 2017

**Time:** 1.15pm - 2.00pm

### Speakers:

Julian Smart, Partner, BLM

Mark Brundell, Head of Professional Indemnity, Zurich Insurance Group

In this IIL lecture Julian Smart & Mark Brundell analysed the current UK and Global Professional Indemnity market. In their presentation, Julian & Mark considered the current and future general macroeconomic environment and how the trends may change with Brexit and / or a snap General Election. They also reviewed three specific PI trends within the Construction, Finance and Property sectors, specifically looking at the impact of both economic and non-economic factors.

**By the end of this lecture, members would have gained an insight into:**

- How far the economy is a key driver for PI trends?
- What are the non-economic factors that influence PI trends?
- How influential in PI trends are the Government / Regulation factors?

This lecture or podcast can be included as part of your CPD requirement should you consider it relevant to your professional development needs. It is recommended that you keep any evidence of the CPD activity you have completed and upload copies to the recording tool as the CII may ask to see this if your record is selected for review.
