

The Leadership Development Programme

Introduction

- The Leadership Development Programme
- Brought to you by The Insurance Institute of Leeds
- Aimed at the new generation of leaders
- Developing new or improving existing leadership qualities
- Delivered by Quarerdeck – a market leading development and coaching business

Delivery

- All classes delivered by Quarterdeck.
- Quarterdeck's mission:
“To show that Leadership is not just something used in extraordinary circumstances by exceptional people. Leadership is something that should happen everyday in ordinary situations. Leaders can be made as well as born.”

Laura Boutell, MD, Quarterdeck.

Who should attend?

- People recently appointed to a management or team leader role.
- Experienced managers or team leaders who wish to hone their leadership skills
- People who aspire to reach leadership positions on their career path
- Open to people aged 35 years of age and under

The Format

- A series of 6 masterclasses
- Each one 2 – 3 hours long
- Interactive workshops
- Maximum 15 attendees per class
- You can mix and match classes to attend
- Free to attend but booking is required.
