

Continuing Professional Development Certificate

What future for the London Market?

Date: Tuesday 2 October 2018

Time: 1.15pm - 2.00pm

Speaker: Nicolas Aubert, President, Insurance Institute of London, Head of Great Britain, Willis Towers Watson

In this lecture Nicolas gave an overview of the challenges being faced by the London Market today.

He said no other market could compete with London on infrastructure, intellectual capital, law and regulation and people and he urged members to be bold and think of London as a global marketplace.

By the end of this lecture, members would have gained an insight into the four elements influencing the future of the London Market, namely:

- Infrastructure proposition
- Intellectual capital proposition
- Regulatory proposition
- People proposition

This lecture or podcast can be included as part of your CPD requirement should you consider it relevant to your professional development needs. It is recommended that you keep any evidence of the CPD activity you have completed and upload copies to the recording tool as the CII may ask to see this if your record is selected for review.
