YOUNG MEMBERS'

WINTER BALL 2018

**PROGRAMME & SEATING PLAN
FRIDAY 23 NOVEMBER**

WELCOME

On behalf of the Insurance Institute of London's Young Members' Committee, I'm delighted to welcome you to our Winter Ball in the grand surroundings of Old Billingsgate.

2018 has been another busy and successful year for the YMC. We've organised a varied programme of educational events, from interviewing industry CEOs and examining the aftermath of catastrophes, to exploring the importance and power of a personal brand. In April, we held our second charity quiz night, raising over £3,600 for local heroes the 999 Club. If that wasn't enough, we've hosted three networking socials and our annual Summer Party, which this year took place at one of London's most unique event spaces, the Magic Roundabout! We've got some really exciting things planned for 2019, so make sure you stay tuned and get involved come January.

Thank you to all of our members and guests for being here and supporting us. Particular thanks go to our sponsors, without whom an event of this scale would not be possible. Last but by no means least, I'd like to say a huge thank you to my fellow Committee members and the team at the IIL; tonight is a testament to all of your creativity, hard work and dedication.

We've got a few surprises in store for you this evening, but I'll give you a hint; things are going to get a little bit fiery! Throughout history, fire has been used by many cultures as a sign and symbol of celebration. So, with this in mind, I encourage you to celebrate with everybody here tonight.

Have an amazing time and enjoy every moment!
