Leadership programme 2019

The Insurance Institute of Manchester is offering you the chance to join a programme to help you develop your career.

We are looking for people who are enthusiastic about their jobs and keen to develop both themselves and our industry. Over 6 months from April 2019, successful applicants will attend 6 workshops, the dates will be announced in advance and each will last 2-3 hours. There will also be a small presentation for the class to work on and an opportunity to develop key soft skills such as self-brand and social media, positive mindset, presentation skills and time management. At the end there is an exciting opportunity to speak to the leaders from the insurance market during a panel session.

The training sessions will develop attendees as individuals and also benefit the company they work for, at no cost to the company.
