Three anniversaries : The FSA, the crisis and the FCA: Where does this leave consumers?

Date: Tuesday 9 April 2019

Time: 1.10pm - 1.55pm

Speaker: Simon Morris, Partner, CMS

UK financial regulation has recently passed its 30th birthday – this lecture examined the reasons behind the achievements, the failures and what the regulators will try to do in coming years.

By the end of this lecture, members would have gained an insight into:

- What the FCA and the PRA have achieved for consumers, what they haven't and what they never will.
- The limitations of what they can realistically achieve.
- Where they will be heading in coming years.

This lecture or podcast can be included as part of your CPD requirement should you consider it relevant to your professional development needs. It is recommended that you keep any evidence of the CPD activity you have completed and upload copies to the recording tool as the CII may ask to see this if your record is selected for review.

CII CPD event accredited - demonstrates the quality of an event and that it meets CII member CPD scheme requirements.
