<https://uk.linkedin.com/in/raphael-rayees-67b57718>

Raphael joined Securis in September 2016 in the Traded ILS group where he is responsible for the analysis and trading of catastrophe bond investments and non-life structured finance. In July 2019, Raphael was appointed Portfolio Manager for Traded ILS and is a member of the Portfolio Management Group. Raphael joined Securis from Aon Securities where he was an ILS structurer for four years. Prior to Aon he worked at Lloyd's of London in Investment Management and Analysis, and at Rolls Royce as an Aerospace Engineer. Raphael graduated from the University of Bath with an MEng (Hons) in Aerospace Engineering.
