# Continuing Professional Development Certificate

## Ships that go bump in the night

**Date:** Tuesday 26 November 2019

**Time:** 1.10pm - 1.55pm

**Speaker:**

Dr Karen Purnell, Managing Director, ITOPF

In this IIL Marine & Energy lecture Dr Karen Purnell talked about the challenges and threats to the international system of compensating damage from accidental spills of oil and chemicals.

**By the end of this lecture, members would have gained an insight into:**

- Geographical 'Hot spots' for oil spills
- Awareness of variation in ratification and application of IMO preparedness and compensation Conventions
- Challenges on the horizon

This lecture or podcast can be included as part of your CPD requirement should you consider it relevant to your professional development needs. It is recommended that you keep any evidence of the CPD activity you have completed and upload copies to the recording tool as the CII may ask to see this if your record is selected for review.

CII CPD event accredited - demonstrates the quality of an event and that it meets CII member CPD scheme requirements.
