

# CHARLES WHITMORE

Managing Director, Head of Placement Solutions Group, Guy Carpenter

---

Charles Whitmore heads the Placement Solutions Group, a centre of excellence for Property Internationally, providing support to local offices for multi-national clients, significant transactions, benchmarking and new product ideas. Charles is also the International lead for Guy Carpenter's Public Sector Practice and is the Account Executive for a number of UK and European clients. In addition, he is President of Global Accounts, responsible for the coordination across the firm and overall consistency of service to our largest Global clients. He has extensive experience in all property product lines, in particular pro rata treaty business.

Charles joined C.T. Bowring Re (now part of Guy Carpenter) in 1991 in the Latin American and Caribbean Department. In 2000 he moved to the International Department of Guy Carpenter's New York office, where he worked on a variety of International accounts (including UK, European, Retro and Caribbean business). In 2003 he returned to the UK to focus on UK and European clients and ran the UK Property team until 2012 when he assumed his current role.
