Chartered Insurance Institute

Continuing Professional Development Certificate

The role of the AAIB, accident scenarios and the potential implication for insurers

Date: Wednesday, 04 December 2019

Time: 1.10pm - 1.55pm

Speaker:

John McMillan, Engineering Principal Inspector, Air Accident Investigation Branch

In this Aviation lecture John McMillan talked about how the AAIB investigates aircraft accidents and used case examples to show how the work of the AAIB may have implications for the insurance industry.

By the end of this lecture, members would have gained an insight into:

- The role of the AAIB in investigation and safety.
- The variation of scale and nature in aircraft accident investigation
- Understanding the implications of the work of the AAIB for insurers

This lecture or podcast can be included as part of your CPD requirement should you consider it relevant to your professional development needs. It is recommended that you keep any evidence of the CPD activity you have completed and upload copies to the recording tool as the CII may ask to see this if your record is selected for review.

CII CPD event accredited - demonstrates the quality of an event and that it meets CII member CPD scheme requirements.
