YOUNG MEMBERS' WINTER BALL 2019

WELCOME

On behalf of the Insurance Institute of London's Young Members' Committee, I'm thrilled to welcome you to our Winter Ball in the beautiful surroundings of Old Billingsgate.

2019 has been yet another busy – and hugely successful – year for the YMC. We've organised a large and diverse programme; from educational events exploring Insurtech and ILS, to networking socials and our annual Summer Party, hosted at Shoreditch favourite the London Shuffle Club. We also held our third charity quiz night, raising a record £4,500 for the wonderful Starlight Children's Foundation. Our agenda remains jam-packed for 2020, so make sure you stay tuned and get involved come January.

Now on to this evening's activities! Thank you to all of our members and guests for being here and supporting the YMC. Particular thanks go to our sponsors; without them, an event of this scale would not be possible. Last but by no means least, I'd like to say a big thank you to my fellow committee members and the team at the IIL; tonight really demonstrates your hard work and dedication.

From our humble beginnings in Edward Lloyd's coffee house, and the origination of property covers following the Great Fire of 1666, London has long been considered the centre of the global insurance industry, but it's not often that we celebrate what an amazing market we all work in. And so, tonight is all about celebrating just how brilliant the London Market is – and long may it continue!

Enjoy every moment, and I'll see you on the dancefloor.
