

# Continuing Professional Development Certificate

## Drone incidents at UK Airports: What has been learnt?

**Date:** Monday 13 January 2020

**Time:** 1.10pm - 1.55pm

**Speakers:** James Browning, COO, SteelRock Technologies  
Barnaby Winckler, Partner, Kennedys LLP

In this Insurance Institute of London Accident lecture, James Browning and Barnaby Winckler looked at the risks associated with UK airports from drone attacks.

In their joint presentation, James and Barnaby looked at how insurers can be affected and the lessons that can be learned following drone related disruptions at UK airports in 2018.

**By the end of this lecture, members would have gained an insight into:**

- How the drone attacks happened
- Whether they can be stopped in the future
- Which types of insurance policy can be affected

This lecture or podcast can be included as part of your CPD requirement should you consider it relevant to your professional development needs. It is recommended that you keep any evidence of the CPD activity you have completed and upload copies to the recording tool as the CII may ask to see this if your record is selected for review.
