

The Insurance
Institute of London
Chartered Insurance Institute

Continuing Professional Development Certificate

NHS Innovation and collaborating with the insurance industry

Date: Tuesday 14 January 2020

Time: 1.10pm - 1.55pm

Speaker: Professor Tony Young OBE, National Clinical Lead for Innovation

In this IIL Accident lecture Tony Young talked about current and future health trends and the role technology has to play in addressing healthcare needs.

By the end of this lecture, members would have gained an insight into:

- The challenges facing commissioners and providers of healthcare
- How the NHS is addressing these challenges
- The opportunities for insurers in this technology driven healthcare revolution

This lecture or podcast can be included as part of your CPD requirement should you consider it relevant to your professional development needs. It is recommended that you keep any evidence of the CPD activity you have completed and upload copies to the recording tool as the CII may ask to see this if your record is selected for review.

CII CPD event accredited - demonstrates the quality of an event and that it meets CII member CPD scheme requirements.
