Inmarsat, space technology and the future of insurance: Reflections from an insurance buyer

Date: Wednesday 22 January 2020

Time: 1.10pm - 1.55pm

Speaker:

Claes Martenson, VP Risk Management & Insurance, Inmarsat

In this Aviation lecture Claes Martenson reflected on what he has learnt as a buyer of insurance and broker services for large multinational companies, especially Aviation and Space insurance.

By the end of this lecture, members would have gained an insight into:

- How to get the best out of your broker
- How to get the best insurance solutions
- What is different with Aviation and Space insurance

This lecture or podcast can be included as part of your CPD requirement should you consider it relevant to your professional development needs. It is recommended that you keep any evidence of the CPD activity you have completed and upload copies to the recording tool as the CII may ask to see this if your record is selected for review.

CII CPD event accredited - demonstrates the quality of an event and that it meets CII member CPD scheme requirements.
