

Continuing Professional Development Certificate

Accelerated learning & memory techniques

Date: Monday 9 March 2020

Time: 12.55pm - 1.55pm

Speaker: Rob Murray, Partner, Head of Actuarial BDO LLP

In this Insurance Institute of London revision lecture, Rob Murray, ACII, Partner, BDO LLP, outlined with practical examples, a number of different memory techniques to assist students when preparing for exams or wider business or personal situations.

By the end of this lecture members would have gained an insight into:

- An introduction to a number of memory principles and accelerated learning techniques
- Practical illustrations of these techniques drawing on material from the CII examinations
- An introduction to effective, yet non-standard, approaches to memory and learning, which can be applied to formal, informal study or wider business, personal situations.

CII CPD event accredited - demonstrates the quality of an event and that it meets CII member CPD scheme requirements.

This lecture or podcast can be included as part of your CPD requirement should you consider it relevant to your professional development needs. It is recommended that you keep any evidence of the CPD activity you have completed and upload copies to the recording tool as the CII may ask to see this if your record is selected for review.
