Radical Uncertainty

Date Wednesday 11 March 2020

Time 6pm-7pm

Speaker Professor John Kay, Economist, joint author of Radical Uncertainty with Lord King, a former Governor of the Bank of England

Learning outcomes or Lecture review

In this joint event with the Chartered Institute of Securities and Investment, Professor Kay examined the uncertainty that pervades the big decisions we all make in our lives.

By attending this event, delegates will have gained an insight into:

- a greater understanding of the role of uncertainty in finance
- why the prevalent method of prediction falls short
- why it results in giving us a false understanding of our power to make predictions, leading to many of the problems we experience today.

CII CPD event accredited - demonstrates the quality of an event and that it meets CII member CPD scheme requirements.

This lecture or podcast can be included as part of your CPD requirement should you consider it relevant to your professional development needs. It is recommended that you keep any evidence of the CPD activity you have completed and upload copies to the recording tool as the CII may ask to see this if your record is selected for review.
