Continuing Professional Development Certificate

Covid-19 and its effect on the marine & energy market

Date

Friday 29 May 2020

Time

1.00pm - 2.00pm

Speakers

Alex Kemp, Partner HFW

Matthew Wilmshurst, Senior Associate HFW

The speakers started by using a Covid-19 impact model to summarise the situation to date, provided an overview of the impact and covered the types of claims anticipated. In conclusion they also considered the long-term effect the pandemic may have on the marine & energy insurance market.

By the end of this webinar members would have gained an insight into:

- The types of Covid-19 claims being advanced in the marine & energy insurance market
- The questions/issues these claims give rise to
- The possible long-term effects on the marine & energy insurance market

CII CPD event accredited - demonstrates the quality of an event and that it meets CII member CPD scheme requirements.

This lecture or podcast can be included as part of your CPD requirement should you consider it relevant to your professional development needs. It is recommended that you keep any evidence of the CPD activity you have completed and upload copies to the recording tool as the CII may ask to see this if your record is selected for review.
