Covid-19 and aviation insurance: the operational impact on aviation and the recovery process

Date: Friday 12 June 2020

Time: 09.30am - 10.30am

Speakers:

Ed Spencer, Partner, HFW

Paul Woodley, Partner, HFW

James Jordan, Senior Associate, HFW

In this IIL aviation webinar, Ed Spencer, Paul Woodley and James Jordan talked about the current operational issues impacting the aviation sector as a result of Covid-19. They also considered the impact this will have on the insurance industry with a view to assessing what the future of aviation might look like in a post-Covid-19 world.

By the end of this webinar members would have gained an insight into:

- The operational issues impacting the aviation industry as a result of Covid-19
- How these risks should be mitigated so as to reduce exposure to claims and what insurance professional can do to facilitate this
- What the future of aviation may look like after Covid-19 and how this will impact the insurance sector

CII CPD event accredited - demonstrates the quality of an event and that it meets CII member CPD scheme requirements.
