

# Continuing Professional Development Certificate

## Going Viral! The challenges in reinsuring viruses

### Date

Tuesday 14 July 2020

### Time

1.00pm - 2.00pm

### Speaker

Jennifer Braney, Cyber Broker, Capsicum Re

In this reinsurance webinar Jennifer Braney looked at the rise of the ransomware threat and pandemic viruses and how the (re) insurance market can step up to find solutions to meet these challenges.

By the end of this webinar members would have gained an insight into:

- Commonalities of ransomware and pandemic viruses
- How various classes of insurance are affected by viruses
- Current methods for reinsuring virus 'events'

CII CPD event accredited - demonstrates the quality of an event and that it meets CII member CPD scheme requirements.

This lecture or podcast can be included as part of your CPD requirement should you consider it relevant to your professional development needs. It is recommended that you keep any evidence of the CPD activity you have completed and upload copies to the recording tool as the CII may ask to see this if your record is selected for review.
