

Continuing Professional Development Certificate

Cost control in major maritime casualties

Date

Tuesday 06 October 2020

Time

12.00pm - 1.00pm

Speaker

Sam Kendall- Marsden, Director of Claims, The Standard Club

In this IIL marine & energy webinar, Sam Kendall-Marsden talked about why the Large Casualty Subcommittee was formed, its analysis of major shipping casualties, and the work the International Group has been doing to improve major casualty claims handling and control costs.

By the end of this webinar members would have gained an insight into:

- The work of the International Group's Large Casualty Subcommittee
- Cost drivers in major casualties
- Strategies to improve the management of major casualties and control costs

CII CPD event accredited - demonstrates the quality of an event and that it meets CII member CPD scheme requirements.

This lecture or podcast can be included as part of your CPD requirement should you consider it relevant to your professional development needs. It is recommended that you keep any evidence of the CPD activity you have completed and upload copies to the recording tool as the CII may ask to see this if your record is selected for review.
