Presenteeism

A

95%

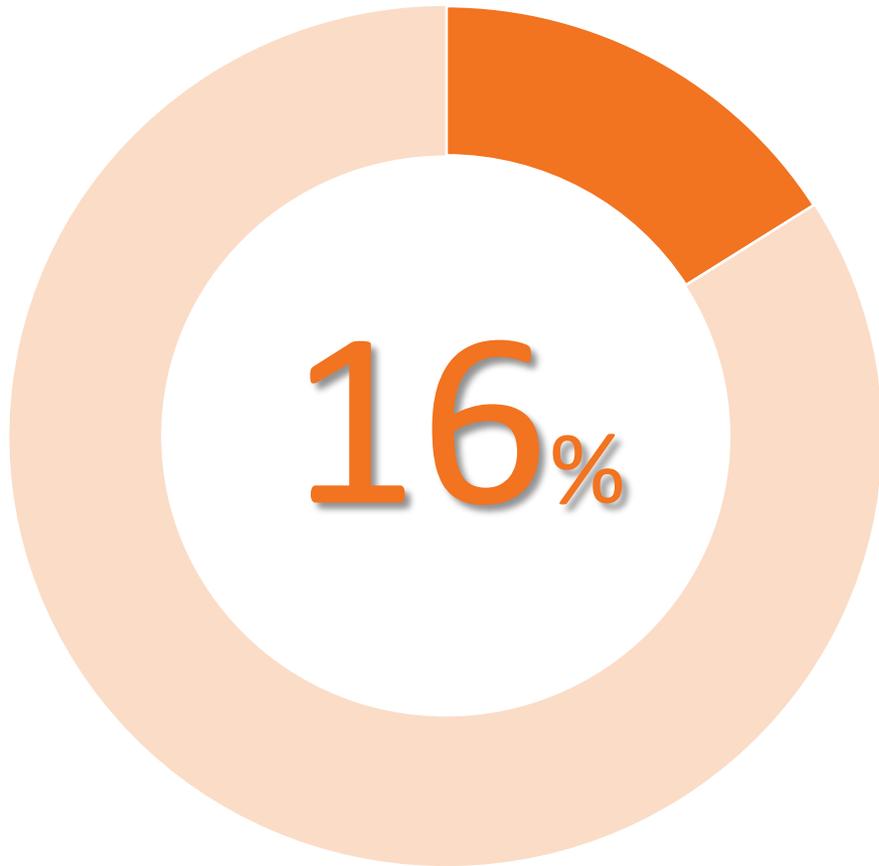

B

68%

C

23%

? % of workers blamed other reasons (eg flu or upset tummy) for stress related absence?

**of employees
felt able to
disclose to
their manager**

A

1576

B

6507

C

3207

1770 people died in Road Traffic Collisions in 2018. How many people took their own lives in the same year?

“Mental
Health”

What is Mental Health?

...a state of well-being in which every individual:

realizes his or her own potential

can cope with the normal stresses of life

can work productively and fruitfully

able to make a contribution to her or his community

It shall be the duty of every employer to ensure so far as is reasonably practicable the health and safety and welfare of all their employees

health

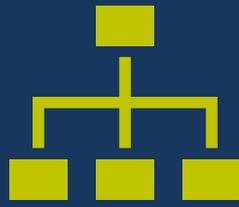

noun

Origin: Germanic/old English

a state of complete **physical, mental and social** well-being and not merely the absence of disease or infirmity.

It shall be the duty of every employer to ensure so far as is reasonably practicable the **safety** of all their employees

**What are some of the
problems faced by lone
workers?**

Career

Switch off

Health

Performance

Feel Isolated

Pressure

“

...people have an **innate,**
primary drive to form social
bonds and mutual caring
commitments

More likely to
report loneliness

35-64yrs

Single

Living alone

Renting

Long term poor health

**What can we do to
support Lone worker
wellbeing?**

Perceived

Threat/Humiliation/Injustice/Frustration

=

Health

Prevention!
Referral and support
And they KNOW

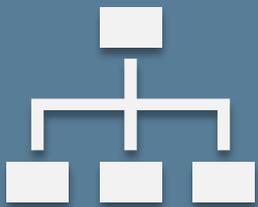

Policies that promote

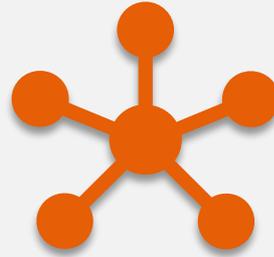

Wellbeing Champions
Expectations
WRAP

Isolated

Career

Relationships
Make time for chats

Regular Video Calls
Never cancel

Aspirations?
Know your people

Performance

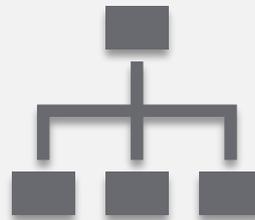

Pressure

Work load? HSE toolkit
Home Life?

Culture of looking
out for each other

Senior level buy in

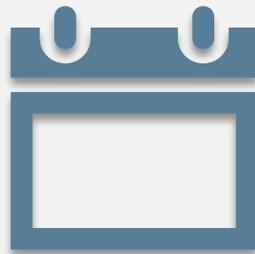

Switch off

Disable notifications
Out of Office

Stick to work hours

Take leave/TOIL
Schedule rest and
recovery

Key points...

Out of sight \neq out of mind

Set the norms

Get talking

“

...employee work loneliness

triggers emotional withdrawal
from their organisation

“

...management should not treat work loneliness as a private problem that needs to be individually resolved by employees...

“

...but rather should consider it as an **organizational problem** that needs to be addressed both for the employee's sake and that of the organization.
