

# GILLIAN SINCLAIR

**Head of Development Energy Division**  
FCC Environment

---

Gillian has over 15 years of waste industry experience. She has worked for FCC since 2011 starting as a Bid Director leading local authority bids. Gillian successfully closed the Mercia (Herefordshire and Worcestershire Councils) 200,000tpaEfW contract variation, in partnership with Urbaser, in 2015. She subsequently became the Project Director for the construction phase of the 300,000tpa Greatmoor EfW followed by taking on the General Manager role for 3 years. Today Gillian is responsible for the delivery of FCC's merchant EfWs.
