Continuing Professional Development Certificate

The future of cyber defence

Date Wednesday 11 November 2020

Time 1.00pm - 2.00pm

Speaker Alastair Speare-Cole FCII, President of Insurance, QOMPLX Inc

Learning outcomes

In this IIL cyber webinar, Alastair Speare-Cole discussed the future of cyber defence and how this relates to the assessment of risk for the insurance industry.

By attending this event, delegates will have gained an insight into:

- The technologies available now and
- How the technologies may look in the future
- An appreciation of the gap between current rating practices and accumulation assessments and how they will operate in the future

CII CPD event accredited - demonstrates the quality of an event and that it meets CII member CPD scheme requirements.

This lecture or podcast can be included as part of your CPD requirement should you consider it relevant to your professional development needs. It is recommended that you keep any evidence of the CPD activity you have completed and upload copies to the recording tool as the CII may ask to see this if your record is selected for review.
