

# REBECCA SHEPPARD

**Technology & Administration Services Team Leader**

Willis Towers Watson

---

Rebecca Sheppard is an experienced Leader within the Financial Services sphere. Rebecca has a tremendous passion for supporting and empowering her people to do their best work through the use of progressive, modern and empathetic leadership techniques. She has the privilege of managing Ed Mitchell ( another of the panel speakers ) and is thrilled to be able to share how she and her employer support individuals with Neural Diversity, from navigating difficult conversations to training and physical workplace adjustments.
