Waste regulations – claims & liabilities

Date Thursday 19 November 2020

Time 1.00pm - 2.00pm

Speakers Richard Lawrence, Dip CII, Technical and Complex Loss Director, Environmental, Questgates and Michael Salau, Partner, Beale & Co

In this IIL accident webinar, Richard Lawrence and Michael Salau discussed the complexities of waste legislation/regulations and how breaches can give rise to a claim under an insurance policy.

By the end of this webinar members would have gained an insight into:

- Waste regulation/legislation
- How a claim arising from breaches of legislation may result in an insurance claim
- How coverage may vary under different types of policy in the market

CII CPD event accredited - demonstrates the quality of an event and that it meets CII member CPD scheme requirements.

This lecture or podcast can be included as part of your CPD requirement should you consider it relevant to your professional development needs. It is recommended that you keep any evidence of the CPD activity you have completed and upload copies to the recording tool as the CII may ask to see this if your record is selected for review.
