Jubilee Prize Awards virtual ceremony

25th November 2020

The Jubilee Prize Awards represents the very best the Insurance Institute of Manchester has to offer, and it is an honor to be asked to present the awards today. I take great pride in seeing high quality professional people being awarded for their dedication to a great industry.

Eleanor Moore Cert CII, IIM President

Over 100,000 people work in the insurance sector and this event continues to promote and maintain a high level of professional standards. All of the prize winners should be very proud of themselves. I look forward to seeing your careers progress and for you to continue to further your professional development.

Whilst we would usually host this event in person in Manchester, we didn't want to postpone the event indefinitely and are really pleased to host the event on line.

I would like to thank employers for their support, encouragement, and financial assistance.

Today's event would not be possible without the award sponsors and I give my sincere thanks for their contributions and continued support.

My congratulations go to all our prize winners. It would be great to see you get involved in future institute events, committees, or council to contribute towards helping the Insurance Institute of Manchester provide excellent support in all areas for our members.

Order of the day:

- 11:30 President Welcome
- 11:40 Guest Speaker: Andy Currie, Think Distinct
- 12:10 Exam Awards Presentations
- 12:30 Finish

Eleanor Moore Cert CII
IIM President

Congratulations to our winners of 2019.
