Lessons from Asia: Next gen technology in traditional financial services businesses

Date Wednesday 25 November 2020

Time 10.00am - 11.00am

Speaker Donald Lacey, Managing Director and Chief Operating Officer, Ping An Global Voyager Fund

In this IIL cyber, technology & innovation webinar, Donald Lacey discussed Chinese insurer Ping An's approach to scale implementation of next generation technologies and provided examples of the benefits this has delivered to Ping An's traditional financial services businesses.

By the end of this webinar members would have gained an insight into:

- The types of technology being used by Chinese insurers and lending businesses
- Ping An's ecosystem philosophy
- The factors behind successful scale implementation of new technologies at traditional financial services firms

CII CPD event accredited - demonstrates the quality of an event and that it meets CII member CPD scheme requirements.

This lecture or podcast can be included as part of your CPD requirement should you consider it relevant to your professional development needs. It is recommended that you keep any evidence of the CPD activity you have completed and upload copies to the recording tool as the CII may ask to see this if your record is selected for review.
