

# Continuing Professional Development Certificate

## Marine and Energy Market overview

**Date:** Friday 27 November 2020

**Time:** 1.00pm - 2.00pm

**Speaker:** Dominick Hoare, Group Chief Underwriting Officer, Munich Re Syndicate Limited

This was the first in a series of joint webinars between the Insurance Institute of London and Munich Re aimed at improving members understanding of developments in the marine and energy market in today's insurance world. In this Marine & Energy presentation, Dominick Hoare charted the progression of the marine and energy market over the last 18 months since his last IIL presentation on the 'Ten Golden Rules for Successful Marine Underwriting', and focused specifically on what has changed, what has been successful, what has failed, and what still needs to be achieved.

**By the end of this webinar members would have gained an insight into:**

- What the market has achieved since early 2019
- How the market made these achievements
- What still needs to be achieved

CII CPD event accredited - demonstrates the quality of an event and that it meets CII member CPD scheme requirements.

This lecture or podcast can be included as part of your CPD requirement should you consider it relevant to your professional development needs. It is recommended that you keep any evidence of the CPD activity you have completed and upload copies to the recording tool as the CII may ask to see this if your record is selected for review.
