

Continuing Professional Development Certificate

Cyber criminals and claims – the changing Covid landscape

Date

Thursday 3 December 2020

Time

1.00pm - 2.00pm

Speakers

Tom Bennett, Cyber Security Incident Responder, CFC Underwriting

Jim Dixon, International Cyber Underwriter, CFC Underwriting

Andrew Prendergast, Corporate Cyber Practice Leader, CFC Underwriting

In this Young Members' Committee webinar, three key members of the CFC Cyber team explored the background to the hardening Cyber market, highlighting the increase and shift in Cyber claims and ransomware variants and demonstrating business email compromise.

By the end of this webinar members will have gained an insight into:

- The current trends in Cyber claims
- The varieties of ransomware
- How Business Email Compromise is achieved

CII CPD event accredited - demonstrates the quality of an event and that it meets CII member CPD scheme requirements.

This lecture or podcast can be included as part of your CPD requirement should you consider it relevant to your professional development needs. It is recommended that you keep any evidence of the CPD activity you have completed and upload copies to the recording tool as the CII may ask to see this if your record is selected for review.
