Orbex –requirements and insurance challenges when launching satellites from the UK?

Date

Thursday 03 December 2020

Time

1.00pm - 2.00pm

Speaker

Jan Skolmli, Chief Commercial Officer, Orbex

In this IIL aviation webinar, Jan Skolmli provided an introduction to Orbex and its satellite launch system. He then gave an overview of the history of the company and explained where it fitted into the UK Government's ambitions with respect to the development of indigenous UK satellite launch capability.

By the end of this webinar members would have gained an insight into:

- Orbex as a UK satellite launch provider
- What is required to develop a launch system from scratch
- Anticipated insurance challenges and requirements

CII CPD event accredited - demonstrates the quality of an event and that it meets CII member CPD scheme requirements.

This lecture or podcast can be included as part of your CPD requirement should you consider it relevant to your professional development needs. It is recommended that you keep any evidence of the CPD activity you have completed and upload copies to the recording tool as the CII may ask to see this if your record is selected for review.
