## BI Supreme Court Judgment

**Date** Tuesday 9 February 2021

**Time** 1.00pm - 2.00pm

**Speakers** Damian Glynn, Sedgwick International UK & Toby Rogers, Clyde & Co

The FCA established that many insurers were refusing a large number of SME BI claims, with genuine debate as to the meaning of some policy wordings. In June 2020, the FCA began a test case in the High Court to provide certainty for all parties. Aspects of the High Court judgment went to appeal. This webinar covered the Supreme Court's judgment.

By attending this webinar, delegates gained an insight into:

- The Test Case – who brought it against whom and why?
- The judgment – a reminder of the High Court Declarations, and a summary of the key features of the Supreme Court decision
- Consequences – the issues that are likely to arise on claims
- Consequences – the potential impact on cover and policy wordings in the future
- Unanswered issues – what was not covered in the Test Case

CII CPD event accredited - demonstrates the quality of an event and that it meets CII member CPD scheme requirements.

This lecture or podcast can be included as part of your CPD requirement should you consider it relevant to your professional development needs. It is recommended that you keep any evidence of the CPD activity you have completed and upload copies to the recording tool as the CII may ask to see this if your record is selected for review.
