# Continuing Professional Development Certificate

## Wildfire: a burning issue for the insurance industry

**Date** Wednesday 24 March 2021

**Time** 1.00pm - 2.00pm

**Speakers** Sébastien Piguet, Co-founder and Head of Underwriting & Akshay Sundar, Underwriter and Data Scientist, Descartes Underwriting

In this IIL property webinar, Sébastien Piguet and Akshay Sundar discussed what we currently know about wildfire risk; how to leverage advanced modelling techniques and remote sensing technologies to underwrite the risk, and finally about mitigation and parametric risk transfer solutions available.

**By the end of this webinar members would have gained an insight into:**

- The science of wildfire
- Underwriting wildfire risks thanks to advanced modelling and remote sensing technologies
- Mitigation and parametric risk transfer solution

CII CPD event accredited - demonstrates the quality of an event and that it meets CII member CPD scheme requirements.

This lecture or podcast can be included as part of your CPD requirement should you consider it relevant to your professional development needs. It is recommended that you keep any evidence of the CPD activity you have completed and upload copies to the recording tool as the CII may ask to see this if your record is selected for review.
