Continuing Professional Development Certificate

How to maintain aviation safety during a crisis and in a future period of growth

Date

Thursday 25 March 2021

Time

1.30pm - 2.30pm

Speaker

Mark Searle, Global Director, Safety, International Air Transport Association (IATA)

In this IIL aviation webinar, Mark Searle looked at the management of change in aviation during the COVID-19 pandemic, and how the International Air Transport Association (IATA) was focused in supporting industry through a coherent safety strategy aimed to deliver on a continued reduction in the aviation all-accident rate.

By the end of this webinar members would have gained an insight into:

- The criticality of effective change management
- Effective safety risk management
- The role of IATA in supporting a safe aviation system

CII CPD event accredited - demonstrates the quality of an event and that it meets CII member CPD scheme requirements.

This lecture or podcast can be included as part of your CPD requirement should you consider it relevant to your professional development needs. It is recommended that you keep any evidence of the CPD activity you have completed and upload copies to the recording tool as the CII may ask to see this if your record is selected for review.
