

Are you receiving email updates from the Insurance Institute of London?

It's a two-stage process. Firstly, you need to ensure that you have approved receiving correspondence from your Local Institute.

Log into [My CII](#) and Check that your email address is correct in the **'Edit Profile'** section and then scroll to the **'Data protection and privacy'** section bottom of the page and ensure that the second box saying **'Sharing your data with local institutes'** is ticked ✓

Once this is done, click **'Continue'** and you'll be returned to the original page. Click onto **'Communications preferences'**.

On that page there will be multiple tick boxes, to ensure you receive **all** email correspondence from the IIL, tick all boxes under **'Local Institutes'** at the bottom of the page.

Alternatively, you can select to only receive information on the topics that are of particular interest to you, CPD events, networking & social activities etc.

Save your changes and you're done!
