

Bio - Judy Knights - Director JK Knights Review Limited

Judy Knights has worked in the Marine and Energy insurance industry for 40 years. Judy graduated from Plymouth University with a degree in Nautical Studies and started underwriting marine transport risks in 1980. After 24 years underwriting Marine risks, Judy had a brief spell as a broker and then joined Lloyd's Performance Management Directorate (PMD) in 2006 as PMD's Class of Business Executive for Marine and Energy classes, responsible for managing PMD's understanding of and policy towards Marine and Energy classes of business underwritten at Lloyd's, including their performance and key issues. Since Dec 2013 Judy has run her own business, JK Knights Review Ltd, as an Independent Peer Reviewer of Lloyd's syndicates writing Marine and Energy classes. Judy is also the Chair of the IIL Marine and Energy Committee.
