MARTIJN HOOGESTEGER

Head of Cyber Incident Response, EMEA
S-RM

Martijn Hoogesteger is Head of Cyber Security for the Netherlands. He is responsible for growing S-RM's cyber presence in the EU and leads the team of cyber professionals based in the Netherlands.

Prior to joining S-RM, Martijn was at Northwave, a Dutch cyber security firm, where he helped build out their Incident Response and Offensive Security teams. He also takes part in the Dutch TV show 'Hunted', where he is a Digital Investigator, tracking down fugitive contestants using digital techniques.
