

**Business Soccer
League
2023**

The JFA introduced "Flexi Football" a new format to provide players with an additional way to participate in 11 a-side football. The objective is to provide a more flexible framework within the sport and entirely separate to the normal football pyramid. It will allow people to maintain or rediscover their love of playing football alongside friends and work colleagues.

League Competition

Business Soccer league is affiliated to the Jersey Football Association.

The competition will take place at Springfield, It features repeat substitutions allowing the involvement of all players and those with varying levels of fitness .

Each team will play each other once. Fixtures will be scheduled during June, July, August on Sunday and midweek evenings.

The league is self funding and not dependable on a sponsor.

Although games are competitive most players involved so for fitness and social reasons and there is a friendly atmosphere with very few disciplinary issues . Sin Bins be used.

Corporate league organiser will administer the disciplinary system for the competition and new flexi football rules will be provided.

Match Day

A registered referee will be appointed to officiate matches and will be supplied a bright coloured league shirt.

Springfield dressing rooms to store personal belongings only.

All teams must be ready to kick at the appointed time, 25 minutes each way, with 5 minutes half time, each team will be supplied with a match ball and team sheets.

Matches start with a respect handshake and the competition will not tolerate ill discipline.
