

Insurance Charities Awareness Week 2016 date announced

We are delighted to announce that this year's Insurance Charities Awareness Week #ICAW will take place from **20th – 24th June**.

The purpose of the week is to increase awareness within the insurance industry of the essential work we do, helping people, and their dependants, who have worked in insurance and now need help themselves.

How to get involved:

If you work in insurance and would like to receive a complimentary ICAW display box for your office, reception or canteen, send your name, email address and company name to:

marketing@theinsurancecharities.org.uk

The ICAW display box consists of branded items for your insurance colleagues to take, enjoy and use. This year's box includes chocolates, pens, and leaflets.

If you are new to The Insurance Charities and would like to find out more about the work we do then have a look at our case studies showing some of the amazing impacts we have had on people's lives.
