London Market Group Manifesto

Date: Tuesday 4 October 2016

Time: 1.15pm - 2.00pm

Speaker: Nicolas Aubert, Chairman, London Market Group

In this IIL London Market lecture Nicolas Aubert introduced the LMG Manifesto to 2018.

The LMG recently launched its Manifesto, derived from the research presented in its 'London Matters' (2014) report which highlighted the challenges facing the London Market if it is to maintain and enhance its position in the global market. In this lecture Nicolas discussed the intent of the Manifesto, commitments and priorities and the four work streams and their progress and future plans.

By the end of this lecture members would have gained an insight into LMG's priorities to 2018 including:

- - Telling the London Market story
- - Building a diverse, dynamic workforce
- - Creating a better business environment
- - Making London an easier, more cost effective place to do business
