

Continuing Professional Development Certificate

Where is the shipping & energy market heading

Date: Tuesday 07 March 2017

Time: 1.15pm - 2.00pm

Speaker:

Stephen Gordon, Managing Director, Clarkson's Research

In this ILL lecture Stephen Gordon provided an overview of the international shipping markets, including key supply and demand trends, rates and prices, shipbuilding and ship owning activity.

In his presentation, Stephen covered the following six topics; Market cycle, Demand – seaborne trade, Supply – world shipping fleet, Shipbuilding, Ownership, Environment and technology and he concluded with a summary.

By the end of this lecture, members would have gained an insight into:

- Shipping market conditions
- Shipping supply and demand trends

This lecture or podcast can be included as part of your CPD requirement should you consider it relevant to your professional development needs. It is recommended that you keep any evidence of the CPD activity you have completed and upload copies to the recording tool as the CII may ask to see this if your record is selected for review.
