

Continuing Professional Development Certificate

Trends in General Liability (non US) business written in Lloyd's

Date: Wednesday 15 March 2017

Time: 1.15pm - 2.00pm

Speaker: Caroline Dunn, Executive, Employers Liability & General Liability, Lloyd's

In this IIL lecture Caroline Dunn talked about the General Liability market at Lloyd's. She covered the business written, recent and future trends and their impact on Lloyd's.

Lloyd's is a major player in the UK and international General Liability market and has been growing market share over the last 5 to 10 years. The lecture provided a background for the type of business written in the market and then looked at the current and potential issues that underwriters and portfolio managers are grappling with day to day.

By the end of this lecture members would have gained an insight into:

- The type of GL business written in Lloyd's
- Recent trends impacting performance
- Future trends that may impact performance
- Lloyd's GL results and looking at performance impact of trends
- Potential strategies for managing the market cycle

This lecture or podcast can be included as part of your CPD requirement should you consider it relevant to your professional development needs. It is recommended that you keep any evidence of the CPD activity you have completed and upload copies to the recording tool as the CII may ask to see this if your record is selected for review.
