

Continuing Professional Development Certificate

The fourth industrial revolution: the insurance implications

Date: Wednesday 4 October 2017

Time: 1.15pm - 2.00pm

Speaker: Dame Inga Beale ACII, CEO, Lloyd's, President, CII

In this IIL lecture Inga talked about the impact of the fourth industrial revolution on the insurance sector, including the rapidly changing risk landscape fuelled by globalisation and unprecedented technological advancements like artificial intelligence and the internet of things.

By the end of this lecture members would have gained an insight into:

- the challenges that the digital revolution brings to the insurance sector, and how Lloyd's is addressing them
- the opportunities that advanced technology, like AI and big data, can have on the sector.

This lecture or podcast can be included as part of your CPD requirement should you consider it relevant to your professional development needs. It is recommended that you keep any evidence of the CPD activity you have completed and upload copies to the recording tool as the CII may ask to see this if your record is selected for review.
