# YOUNG MEMBERS' WINTER BALL 2017

Programme & Seating Plan  
Friday 17 November

# Welcome

On behalf of the Insurance Institute of London's Young Members' Committee, welcome to our Winter Ball and the grand surroundings of Old Billingsgate - I hope you're looking forward to what we have in store this evening!

2017 has been another busy year for the YMC. We've organised a huge variety of events, from dipping our toes into the future of blockchain and making waves with social media, to interviewing CEOs and examining the Insurance Act. We also held our first charity quiz night, raising £3,000 for local cause First Love Foundation. If that wasn't enough, we've hosted quarterly networking socials and another sold-out Summer Party in August! We already have lots in the pipeline for 2018, so do keep your eyes peeled!

Thank you to all of our members and guests for being here tonight and supporting us. Particular thanks go to our sponsors, without whom an event of this quality would not be possible. Last but by no means least, thank you to my Committee members and the fantastic team at the IIL; tonight is a testament to all of your hard work and dedication.

A closing thought... Masquerades were first thought to have arrived in Britain in the 18th century. Costumes were worn to make the wearer unidentifiable and to inspire conversations about the person behind the mask. So, with traditions in mind, I encourage you to network and celebrate with everybody here tonight!

Hannah Kate Smith ACII  
YMC Chair

We would like to thank the following sponsors for their generous support of this event:

# Introducing the Qualification Mentoring Scheme

**Monday 4 December, 4.00 – 5.00pm**  
**The Old Library, Lloyd’s**

Studying towards the Advanced Diploma in Insurance (ACII) or Advanced Diploma in Financial Planning (APFS)? Recently qualified and keen to help others achieve the same? Join us on 4 December to find out more!

Our Qualification Mentoring Scheme will soon be entering the third year of a pilot phase and we will shortly be recruiting new Mentees and ‘Buddy Mentors’. The scheme aims to provide motivation to Mentees, via a peer group, led by a Buddy Mentor - someone who has recently qualified themselves so has fresh first-hand experience of the challenges faced.

Register via our website to join us on 4 December and find out more about the scheme from those in the know.
