

JOHN POTTER

**Senior Risk Management Executive
Lockton**

John Potter BEng (Hons) CMIOSH is a Chartered Safety and Health Practitioner with 30 years of risk control experience gained through employment in the manufacturing sector and the insurance industry. He has comprehensive health and safety skills, complemented by strong business continuity and fleet risk management knowledge.

He assists clients across a wide spectrum of industries ranging from heavy industry to distribution and construction. While his main remit is to help clients strengthen their risk control arrangements, John has also provided hands-on support in the aftermath of major incidents and fatalities.
